Notice on Postponement of the 8th International Symposium on Refractories (ISR 2020)

March 4, 2020

Dear all:

In view of severe situation of the epidemic spread of novel coronavirus (COVID-19) worldwide, we regret to inform that the 8th International Symposium on Refractories (ISR 2020), which was scheduled for October 16-18, 2020 in Wuhan, Hubei Province, China, will be postponed to 2021. The specific date and related details will be timely notified.

Your kindly understanding and patience are highly appreciated. We do hope that you will maintain your interest, support and cooperation to make this event happen and a success.
